please tick below if these are appropriate

6

no sales

no space to work

no opportunities

no tools

no materials

fighting

expensive to me

4 What should OW be?

note down things below that OW is not doing

Our Workshop should be a place of development and after some time gets funding for people to go and make their businesses outside and continue developing new people.

Our workshop should screen people before acceptance so that if they have special problems they can go to special places
