Open Submission

How do I submit?

In the Ideas Phase, we are calling on our community to submit manuscripts for a children's book that engages children (ages 0 to 3) and provides adults with ways to support early language development. Proposals will be accepted until 5pm PST on Friday, April 12th.

If you're curious to learn more about the Challenge, read the [Challenge Brief](#) for more information, dive into the [Challenge Personas](#) to gain a deeper understanding of who this manuscript is for, and check out our [Evaluation Criteria](#) for details on the submission requirements.

We encourage you to publish your submission to the Challenge as soon as possible. All published submissions are fully editable until the final deadline of 5pm PST on Friday, April 12th.
