

Human Centered Milestones: Tuition Heroes

MILESTONE 6: PROTYPE & GET FEEDBACK

The Tuition Heroes website is live at <http://tuitionheroes.com>.

We have gone through many iterations regarding the look, feel and functionality of the application.

Badge activation, either fully funded or crowfunded, is done through our store on Square at <https://squareup.com/market/tuition-heroes/tuition-hero-badge-color>.

After a Tuition Hero badge is fully funded, we publish it on the institution's page on the Tuition Heroes website. We also publish an embed code, which allows the Tuition Hero badge to be displayed on any other website and link back to the institution's page on Tuition Heroes. Here's an example: <http://tuitionheroes.com/search/16354-university-of-missouri-st-louis>
