Subject: Your enterprise has been shortlisted for the 2017 SAG-SEED Awards!

Dear Caroline,
SAG-SEED is delighted to inform you that your enterprise "**Green Gates Ecofarm**" is one of the applications shortlisted for the 2017 SAG-SEED Awards.

The next stage is for you to provide us with some additional information about your enterprise and your partners. This information, together with your application, will be reviewed and considered by the SEED International Jury of experts, which will then select the Winners of the 2017 SAG-SEED Awards.

Below is a list of the additional information you will need to provide, **no later than 20 April, 2017, 23:59 CAT.**

We look forward to receiving the documentation from you. If you have any questions about what you have to do **before 20 April**, about uploading the documents or answering additional questions, please contact us directly: seedawards2017@seed.uno

We would like to take this opportunity to express our appreciation for your efforts and to underline your achievement to be selected as one of the 49 enterprises shortlisted candidates out of nearly 350 submissions to the SAG-SEED Awards 2017.

Best regards,
