

Objective tree

The causes are at the termination of the red arrows and are the bases for project activities.

If the causes are acted upon, they will positively impact on the symptoms as indicated by the blue arrows.

- KEY**
- Caused by
 - Solution path
 - CB Capacity Building
- Symptoms: They lie between the "PROBLEM and CAUSES"

PROTECTED PLANET: Mapping using problem/ OBJECTIVE TREE ANALYSIS

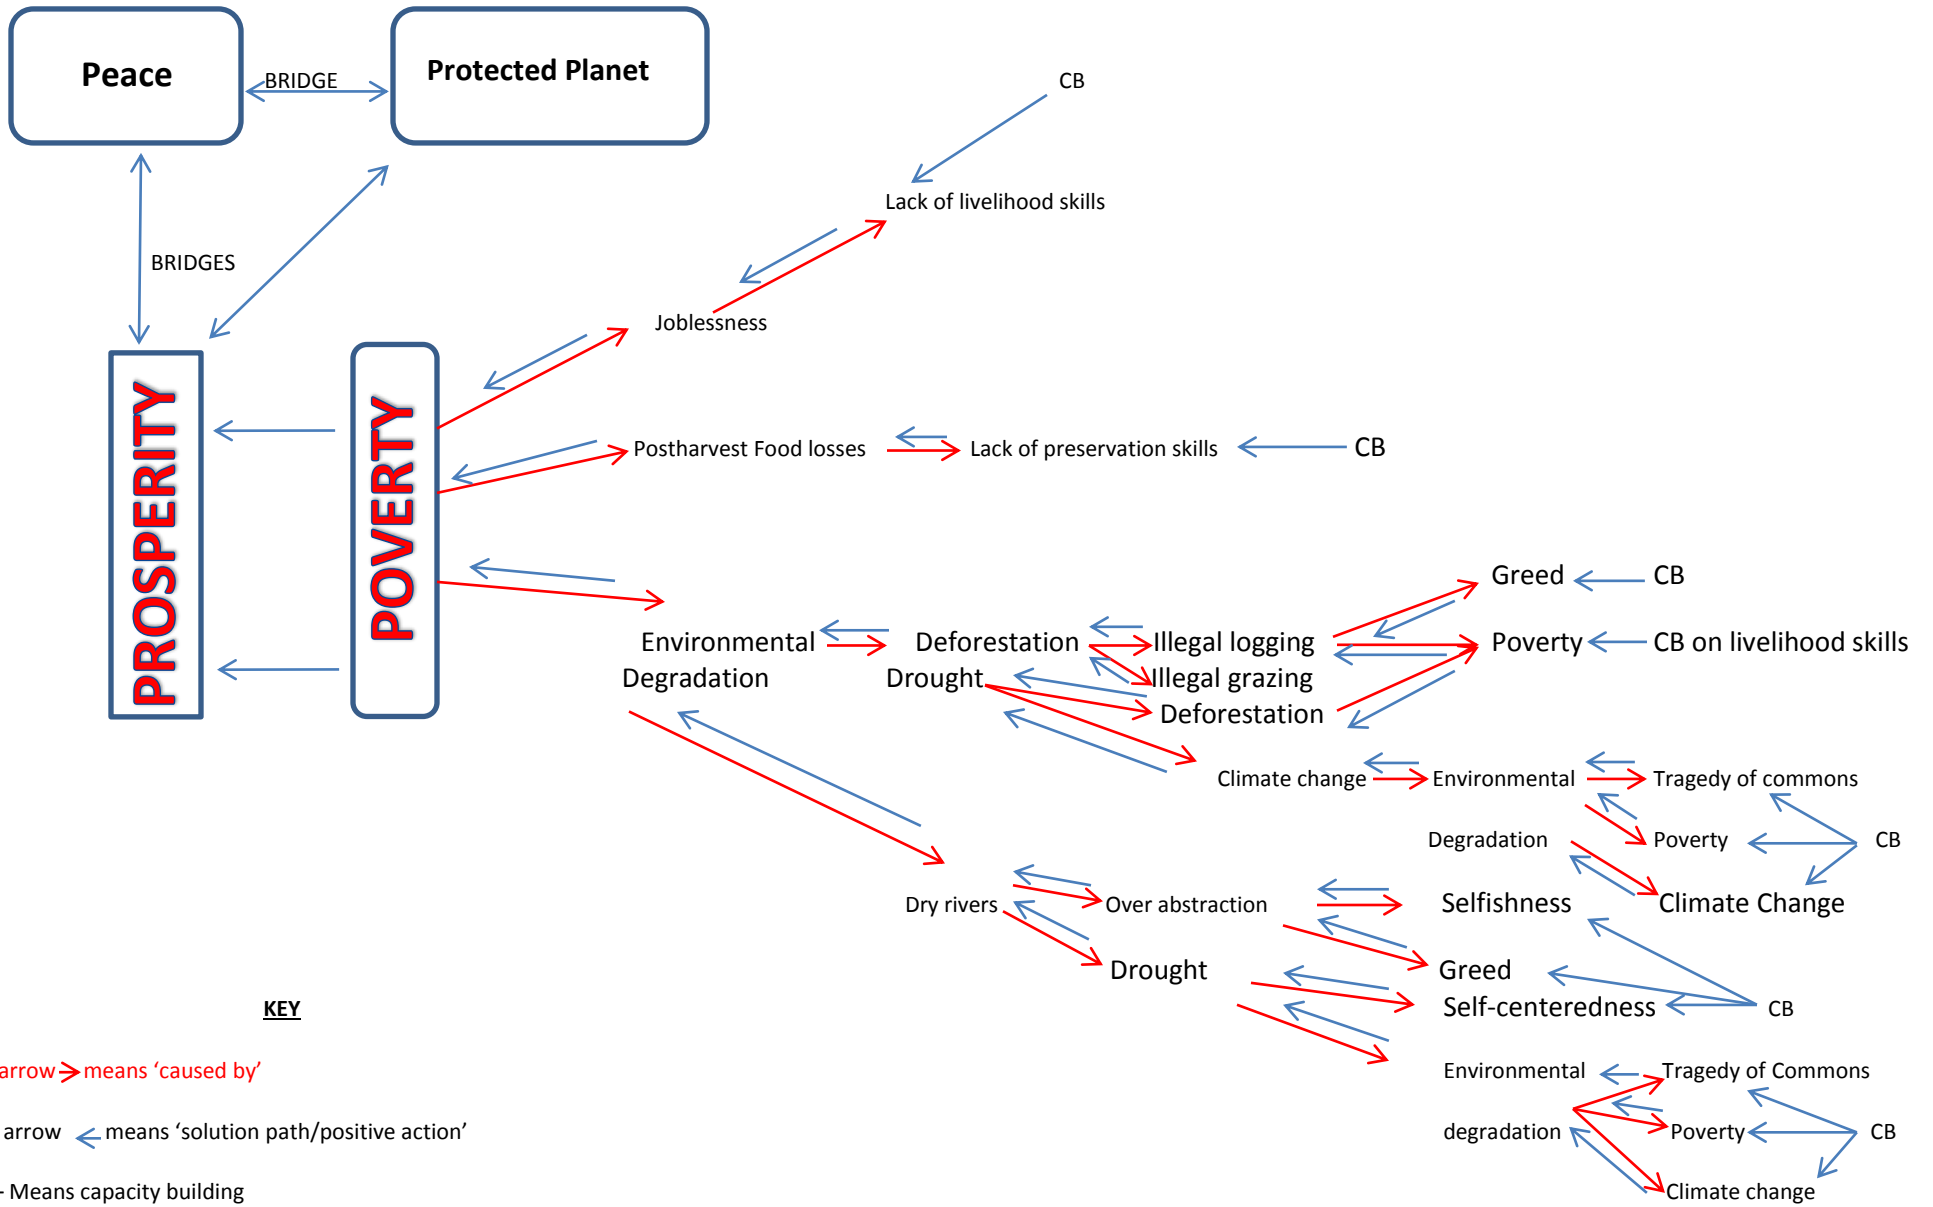

KEY

Red arrow (→) means "caused by"

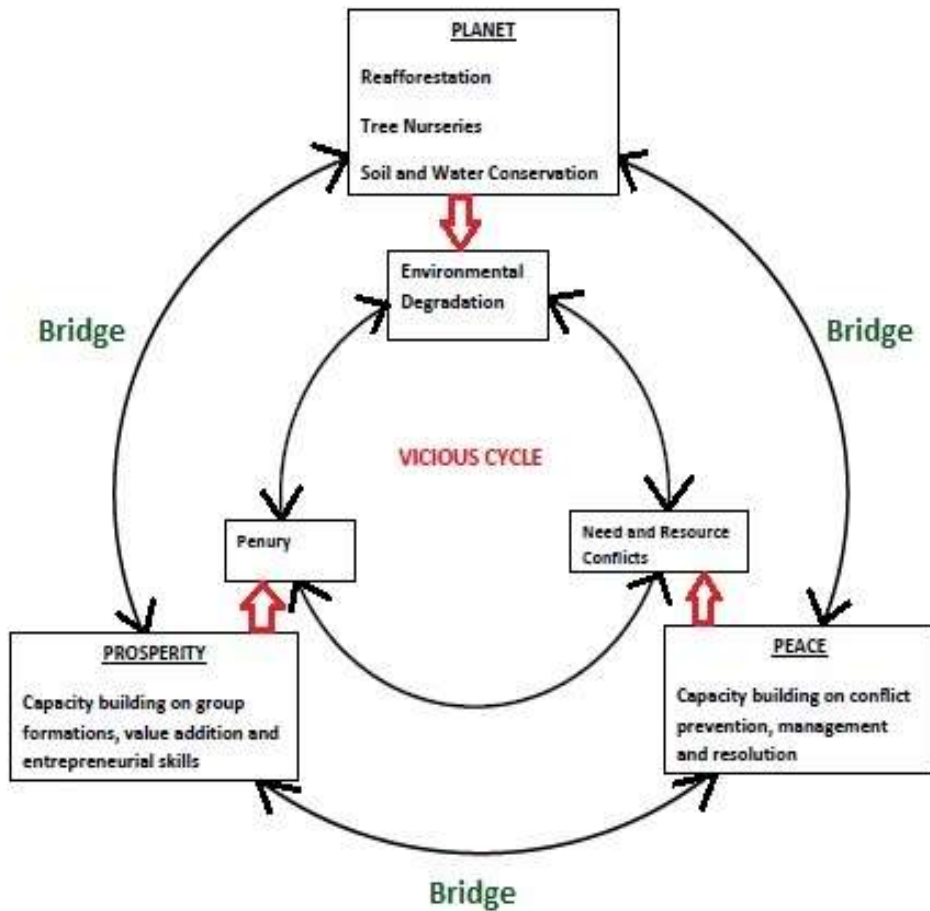

Blue arrow (←) means "solution path/positive action"

CB means capacity building

PROSPERITY: MAPPING USING PROBLEM/ OBJECTIVE TREE ANALYSIS

Visual aid showing the Vicious Cycle, Interventions and Bridging Points

KEY

 : Shows interventions by the 3Ps' Movement.

Inner circle is a vicious cycle of vices

Outer circle shows multi-directional bridges and points of intervention.
