Create your own experience map

**Title** MAPPING

Concisely describe what is happening

Teams go in groups of 3-5. So far map resources and needs in the camp.

**Title** Questions asked

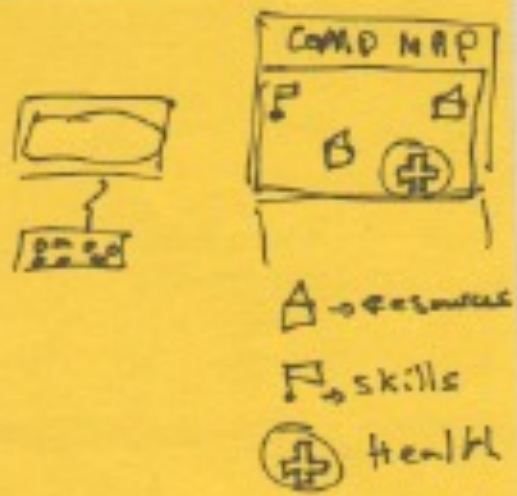

Concisely describe what is happening

other questions: what happens when you're sick? if you have a problem who do you talk to?

Transfer you Post-Its and answer the questions below

### 1. Downloading & mapping

TEAMS come at the end of the day and share the information. They then map on a physical map & on computers.

### 2. Share with the community

The community is invited to join & learn about resources & add anything they want to add, or offer their services.

## 05

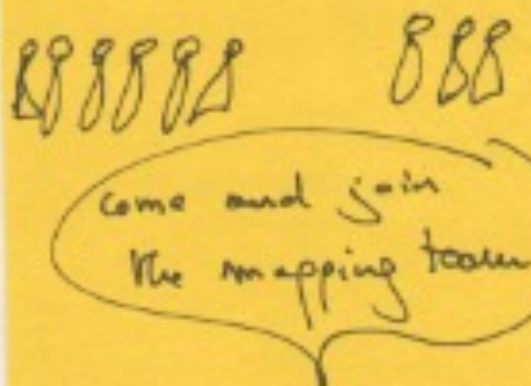

## DETERMINE WHAT TO PROTOTYPE

Page 5 of 5

2 to 3 days

Transfer your Post-its and answer the questions below

Title: INTEREST FROM MAPPERS

What is the most important question to answer?

Will there be interest from young people?

How might we test it?

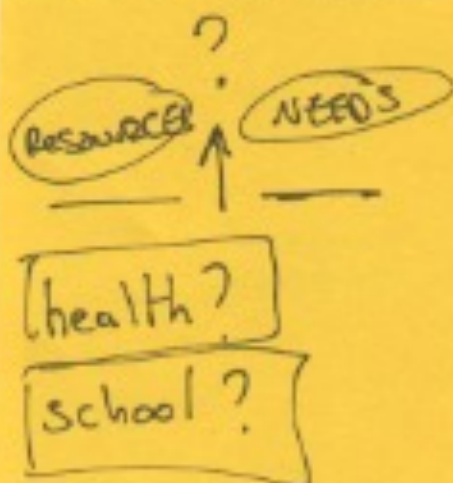

Set up a small workshop and ask people to sign up at the end.

See who is signing up and coming to the training
