STORYTELLING

YOUR VENTURE STORY MADLIB

We are SAMA FOR ALL
and we are going to Build bridges through art and culture, we will connect newcomers with
locals through art and culture by enabling refugees/migrants to become leaders in cultural spaces.

Our mission is to promote professional integration in the French cultural sector, we want to
accompany the newcomers (refugees/migrants) for a job opportunity, promoting enrichment
through reciprocal exchanges. Repair bridges by improving the image of refugees in the host
society and using culture as a lever of expression and inclusion.

This is a group of 18 people who are in need to secure their life and regain their dignity by
finding a job and integrate in their host country.

They will choose our service because we offer them a complete and personalized package to
discover the cultural professional opportunities and to socially integrate with other refugees and
locals in France.

People will find out about us via
Our facebook page and, our website:www.samafor.org

and can have our _services contacting us through our mail: contact@samafor.org from 8.00 AM
till 5.00 PM in/at/on 06 51 34 7176.

They are very happy because they know the world of art through the training program
MAHATTA in association with Orasy and Orangerie museums.

They’ll tell others about our services which include: MAHATTA training program in association
with Orasy and Orangerie museums in Paris- France from January to November every year, the
Specialized French course which is a complement of the training program runs 3 hours per
week, the conversation club this will help them to feel confident when he/she communicates with
the local community.

We are a non-profit organization, our services are free of charge, we have a partnership with two
museums (Orsay & Orangerie) in Paris, the museums bear all the cost of the training program,
the French lessons and the conversation club are free too for refugees/migrants, our project based
on volunteer job.

Our team has different backgrounds but one common vision, passionate about making a
difference in other people's lives, the team is well-positioned to deliver this experience because
he excels at building links between local community and newcomers, knowledge and skills in
terms of social innovation, personal experience of displacement, management and technical skills.

Our next steps are: 1. Create a new sector of activity that will increase the number of beneficiaries, 2. Open the French classes to have more public of newcomers, 3. Develop the training program in order to meet the needs of our beneficiaries and the expectations of our partners, 4. Develop our strategy of volunteering by mobilizing the students of colleges and universities to support us, they will help the newcomers to improve the French language and play a role in social cohesion, 5. Apply key indicator in order to know the impact of training programs on the lives of beneficiaries, and the alumni of last year, 6. Adopt a new system of training programs that meets the needs of the community, 7. Assuring the viability of the project by creating a program that subsidizes the organization.
