

Title BEGIN DRIVING SHIFT

Concisely describe what is happening

Bobby is about to start his driving shift for the day. He pulls up his driving app to start and is prompted with a pop-up with one question about himself.

Title PROMPT FILL OUT

Concisely describe what is happening

Bobby spends 30 seconds writing in a short comment to answer the question, then begins his shift.

Title MATCHED WITH RIDER

Concisely describe what is happening

Bobby get matched to his first rider. As Bobby hits the button to indicate he's arrived, the rider sees the fun fact flash across his app. The rider realizes they have similar interests based on that tidbit of information and sparks conversation.

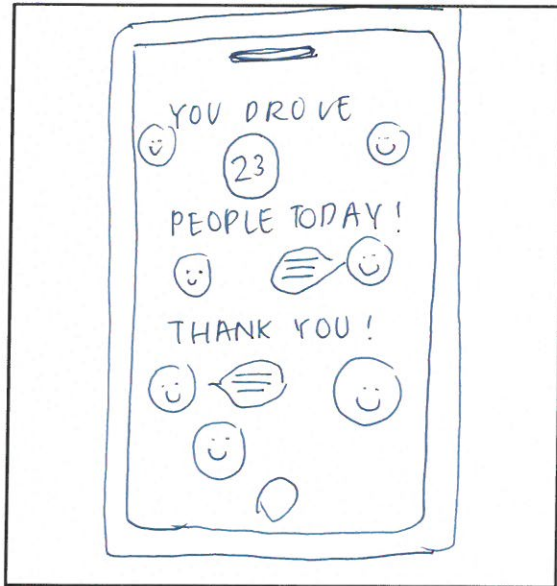

Title CONVERSATION STARTER

Concisely describe what is happening

Bobby is surprised that the rider paid attention to what he wrote. They have friendly conversation until he gets dropped off. This happens with several other riders throughout the day.

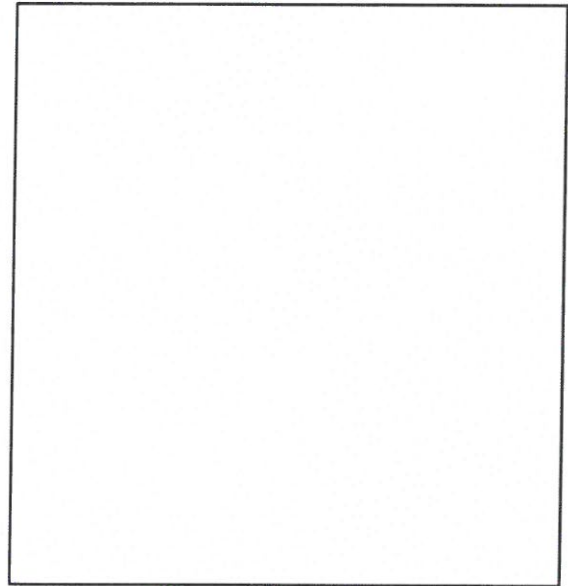

Title END SHIFT

Concisely describe what is happening

After a couple hours, Bobby is ready to end his shift. He does so in the app and gets a summary screen of all the rides he drove that day and snippets of comments from them saying thanks.
