

What would you do if you had an empty room ?

Our empty room (Loft) that allows you to learn, teach, live, make food, share life experiences, sleep, teach, use technology, teach!

Contact: [botny.priyanka@gmail.com](mailto:botny.priyanka@gmail.com) to enroll from Nov 22<sup>nd</sup> – Jan 22<sup>nd</sup>

@ Jayanagar 4<sup>th</sup> T block, Bangalore, India

Build your skills in technology by teaching, learn cooking, share your success stories, adopt a child and send him/her to school and see the progress

Kids in the urban area who work on streets are given an educational exposure to dream for the complete 2 months and beyond, Bangalore, India

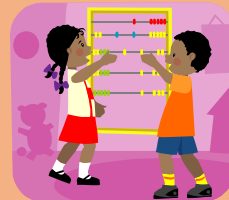

Teach for two months, you can teach forever!

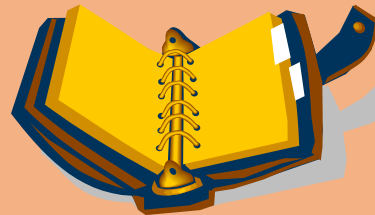

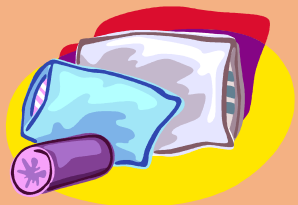

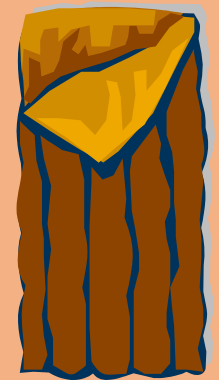

Cook food, own it! Let's feed our community Just get some rice and beans We may have cookers

If we wish to make a change, it's today! NOW

Get your sleeping bags if your house is too far and donate your old bed sheets to these kids if they wish to stay back at our Loft

← Get these to help you retain your memories
