

Describe your idea with one concise sentence.

My idea is **#LIGHTHOUSE**

#LIGHTHOUSE is a women friendly center from where women and girls will be provided sexual and reproductive health services especially in remote river island villages of Bangladesh where the social stigma reigns and women health issues get neglected.

Draw and describe the ideal user

Name: Poribibi, Ayna

Title: THE USER

Age: 30,13

Profession: homemaker, student

Any Other Key characteristics: She is a Mother of three children.

Concisely describe what is happening

Ayna is very scared and shy. Her body is going through many changes. In addition, sometimes she is feeling sick as well. Poribibi is a homemaker. She is the mother of Ayna and her little brother and sister. Poribibi has to maintain her whole family with little help of Ayna. Poribibi is sad, because she knows about Aynas troubles.

Title: THE THOUSAND YEARS STIGMA

Poribibi is also shy as her daughter to discuss the problem with others. Moreover, she has sexual health problems for years she did not tell anybody. Poribibi is feeling helpless because her daughter will suffer the same way she did.

Title: BREAKING THE ICE

Ayna heard about #LIGHTHOUSE in her school. She is telling her mother and Poribibi agrees and taking her there.

Title: VISITING LIGHTHOUSE

When they arrive there, there find a local nurse they know. Nurse is saying that the doctor will come the day after tomorrow.

Title: OVER PHONE TREATMENT

For emergency nurse is calling the doctor over phone and taking primary prescription.

Title: PRIMARY AID

Nurse is giving them some primary treatment and medicines as the doctor prescribe over phone. The nurse also showing various charts, pictures and telling them how to take care of their reproductive parts and importance of sanitation.

Title: TAKING DOCTOR'S SERIAL

Poribibi is writing her name in the serial book for the doctor's appointment in the day after tomorrow.

Title: COMFORTABLY SHARING ROOM

Two days later, doctor comes. Ayna along with her mother is talking to the doctor in the #blackcurtain room. They are not exposed to the unknown male doctor so that we are not that shy and replying all the questions frankly he is asking from the other side.

Title: HAPPY THEM

Within a week, mother and daughter both started to have positive results about their problems.
