# Funding Priorities

(Results of Commission Ranking Activity &  
Discussion from Committee Meeting)

## Priority #1: Healthy Food Distribution

- a. Includes healthy meals and snacks
- b. Includes local food
- c. *May* include schools
- d. *May* include innovations
- e. *May* include staffing costs
- f. *May* include capital costs like equipment or infrastructure

*In terms of funding buckets like staff or capital costs, we could either decide on a budget cap, or alternatively, make budgets unrestricted*

## Priority #2: Food-based Education

- a. All things in ballot initiative
- b. *May* include job training if it's related to training youth in gardening, farming, cooking, etc.

**Priorities 1 and 2 could be combined into one RFP**

## Other (potential focus in future years for more long-term, systems-level change)

- a. Improve systems servicing kids and families (e.g. federal nutrition programs)
- b. Targeting schools exclusively
- c. Policy and advocacy
- d. Research
- e. Events
